

First Coast Consortium Program Member Questions

Please provide the following:

1. Contact information for your organization, including name, title, mailing address, telephone and e-mail.
2. A description of your organization including type its mission, membership and the type of organization.

A broad overview of the approach to creating a regional plan for sustainable development in Northeast Florida is included in the Frequently Asked Questions. This may be updated as the application evolves, but please consider the version posed as you form your answers.

3. A description of the capacity of your organization to assist with creating a regional plan for sustainable development.
4. Experience (within the last three years) that is relevant to sustainability or creating a regional plan for sustainable development.
5. Ideas you have on how your organization can assist with meaningful resident participation, including engaging communities traditionally marginalized from planning processes, such as low-income individuals and families, limited English speakers, persons with disabilities, and the elderly.
6. Ideas you have regarding how your organization can assist with Capacity Building, Skill and Knowledge Sharing and Policy Knowledge in the region and among partners (see NOFA Pgs 56-57)
7. Affirmation of Compliance with HUD NOFA General Section (See NOFA Pages 29-30) on Outstanding Civil Rights Matters, Fair Housing and Civil Rights Laws. (We have to address these issues in the application, and it will be helpful to confirm that all members of the Consortium are also in compliance.)
8. Experience that your organization has that is relevant to the Livability Principles:

Livability Principles (for more detail, see NOFA page 7)
